

LBWF

REFERENDUM

**Do you want to
have your
democratic say on
whether roads in
Waltham Forest are
re-opened?**

We believe that it is time for residents to confirm whether or not they want roads to stay closed.

If you agree, please sign this petition calling for a referendum. The requisite number of signatures needed to get a referendum held is 9,503 electors, which is 5% of the total electorate as per the Council's statutory petition notice published on 23 February 2021.

Open to everyone who is named on the electoral register in the London Borough of Waltham Forest. Please go to the website address below;

www.change.org/lbwf2021refpet

Thank you for your support. If you would like to help gain signatures, please email:
